

Composition Competition

Dear Ms Schlafer,

In conjunction with Banddirector.com and an appearance of the Boston Brass at the 2009 Wisconsin State Music Conference, composer Rick DeJonge is offering a unique opportunity for a music student to help in the creation of his composition that will be premiered at the conference.

For consideration, students must:

Submit an eight-bar melody (in concert pitch with tempo and time signature)

Go to www.banddirector.com for all details.

As part of this special opportunity, Jupiter Band Instruments Inc. will award \$500 to the student of a WMEA member whose theme DeJonge selects as the basis of his composition.

Encourage your students to create and submit their melodies today!

Sincerely,

Jon B. Gilliland, Ed.D
WMEA President
